As a songwriter, artist and producer his credits include 6 solo albums, and multiple benefit projects. He is currently working on both his first book titled “All Together Now,” and recently finished a benefit recording called “Rescue On.” His next recording project, “The Love Wins Revival – Songs for the Cause” will begin recording this year.

In 2014 Jeff took the reins as Director of Operations for **Big Dog Ranch Rescue**. Under Jeff’s leadership, the organization rescued more dogs in 2014 than in any previous year, and employee engagement was improved by 70%. Two years later, he resigned to Co-found **Redemption Song Rescue League**.
